

The background is a dark navy blue. In the top-left corner, there are two overlapping geometric shapes: a blue parallelogram and a light green parallelogram. In the top-right corner, there is a grey, 3D-rendered pattern of interlocking cubes or a circuit board layout. In the bottom-left corner, there is a circular, grayscale image of a printed circuit board (PCB) with various electronic components. The main title 'Playing Together' is written in a white, elegant script font, centered on the right side of the image. Below it, a subtitle in a white sans-serif font reads 'The best way to play sport easily and without any constraints !'.

Playing Together

The best way to play sport easily and without
any constraints !

Application Goal

Playing Together is a service that provide a way to find partners to play collective sport !

Thanks to an easy to use ergonomic application any user can quickly find a starting game in any localisation and ask to participate !

The aim clients are mostly young, between 12 and 30, and who like to play team sports (Basketball, football ..) without registering in a club. (occasional players)

“Our goal is to gather people around the passion of a sport without the constraints and prices of a club”
